ARTICLE 1 - PREAMBLE

- 1.1 Pursuant to RCW 41.80, this Agreement is made by and between the Board of Regents of the University of Washington, hereinafter referred to as the "University" or "Employer," and Teamsters Local Union No. 117, affiliated with the International Brotherhood of Teamsters, hereinafter referred to as the "Union."
- 1.2 The Employer agrees to recognize the Union's Business Representative or his/her designee as the sole negotiator for the Union and will discuss contract proposals only with that Business Representative or his/her designee.

ARTICLE 2 - NON-DISCRIMINATION

- 2.1 The parties individually agree that they will not engage in any act or practice or pursue any policy which is discriminatory against any employee on the basis of age, sex, marital status, status as an honorably discharged veteran, disabled veteran, or Vietnam era veteran, military status, sexual orientation, race, national origin, color, creed, religious or political beliefs or affiliation, genetic information, any real or perceived sensory, mental or physical disability, or membership in a labor organization. The parties agree that sexual harassment will not be tolerated within the workplace.
- 2.2 Employees are encouraged to raise complaints of unlawful discrimination through internal prescribed University complaint procedures (Administrative Policy Statement 46.3). Employees may also seek relief through the appropriate local, state, or federal agency charged with investigating such matters. Such external complaints shall not be subject to the Grievance Procedure of this Agreement; provided that nothing shall preclude an employee from filing a grievance over an alleged violation of Section 2.1 of this Agreement.

ARTICLE 3 - MANAGEMENT RIGHTS AND RESPONSIBILITIES

- 3.1 The Employer, through its designated management personnel, has the right and responsibility, except as expressly modified by this Agreement and federal and state law, to control, change, and supervise all operations, and to direct and assign all employees work appropriate for their classification. Such right and responsibility shall include, by way of illustration but not limited to, the selection and hiring of employees, discipline (involuntary demotion, suspension, reduction in pay, written reprimand) and discharge for just cause, layoff, promotion, reassignment or transfer, training of employees, establishment of work schedules in accordance with this Agreement, allocation of all financial and other resources, and control and regulation of the use of all equipment and other property of the University. The Employer shall determine the method, technological means, number and kind, and qualifications of personnel by and for which operations are to be carried out. The Employer shall take action as may be necessary to carry out its responsibilities in any emergency situation.
- 3.2 Except as otherwise provided in this Agreement and this Article, nothing contained herein is intended to nor shall be construed as a waiver of the Union's right to compel

bargaining prior to changes in any mandatory subject of bargaining in accordance with law, rules, and precedent.

- 3.3 The Employer may reassign work from outside this unit to bargaining unit members or may reassign bargaining unit work from this unit into the UWPMA bargaining unit. Should any such reassignment result in the layoff of bargaining unit members, the University agrees to bargain with the Union prior to making the reassignment, except in cases of emergency.

ARTICLE 4 - JOINT LABOR/MANAGEMENT COMMITTEE

- 4.1 The Joint Labor/Management Committee shall normally be composed of three (3) members designated by the Union and one (1) Union staff representative. The Employer shall be represented by a like number on the Committee. The Union staff representative shall be the sole decision maker to determine whether his/her attendance is necessary at the Joint Labor/Management Committee.
- 4.2 The purpose of the Committee is to provide a forum for communication between the parties to this Agreement to deal with personnel matters of general Labor/Management concern. The agenda shall be limited to items which are of a group rather than an individual interest or concern and shall not include individual grievances properly processed under the Grievance Procedure Article.
- 4.3 Meetings of the Committee will be held as needed. Issues of an emergent nature shall be given agenda priority. Meetings of the Labor/Management Committee shall normally be held during University business hours and at a mutually agreeable time and date. Participants shall experience no loss in salary for participating in the meetings; however, such time is not construed as work time, and no overtime shall be claimed or paid for meetings attended outside of an employee's regular work hours.
- 4.4 The Labor/Management Committee shall have no bargaining authority; however, any agreements reached through this process shall be reduced to writing and supported by the Union representatives and management.
- 4.5 Copies of agreed upon minutes shall be furnished to each member of the Committee.
- 4.6 Disposition of matters covered in a Labor/Management Committee shall not contradict, add to, or otherwise modify the terms and conditions of the Agreement unless otherwise mutually agreed to in writing by the Employer and the Union.

This Agreement covers the employees in the bargaining unit and the work performed by such employees.

- 5.2 The Employer shall provide for payroll deduction of uniform union dues or fees for employees upon written authorization by the individual employee. Recognized payroll deduction authorization cards which are submitted to the Employer's Payroll Office by the 15th day of the month will be processed for the payday on the 25th of that month. Notification received after the 15th day of the month and by the last day of the month will be processed for the payday on the 10th of the following month.
- 5.3 In order to cancel payroll deduction of Union dues, fees, initiation fees, or assessments, it is the sole responsibility of the employee to file written notice with the Employer's Payroll Office and also to file written notice with the Union thirty (30) days prior to the effective date of such cancellation. However, the cancellation may cause the employee to be terminated. An employee leaving paid status should notify the Union and receive a withdrawal card for the duration of absence from paid status and/or the bargaining unit.
- 5.4 Once each month the Employer's Payroll Office will transmit the total deducted amount of dues, fees, initiation fees, and assessments to the Union's office. Twice each month the Employer will electronically transmit a list of current members on Union dues deduction, gross straight-time pay, and any additions and deletions for that month.

A copy of the Collective Bargaining Agreement will be made available online to all bargaining unit employees. The Employer and the Union are responsible for their own reproduction costs. The Union will be responsible for any printed contracts for their members.

Failure of an employee to abide by the aforementioned provision of this Article shall constitute cause for discharge; however, the Employer has no duty to act until the Union makes an appropriate written request for discharge and verifies (by forwarding a copy of

the written notice to the Employer) that the employee received written notification from the Union of the delinquency, including the amount owing, method of calculation, if appropriate, and that non-payment will result in discharge by the Employer.

- 5.7 The Union will indemnify and hold the Employer harmless from all claims, demands, suits, or other forms of liability that may arise against the Employer for actions taken by the Employer under this Article, including any issues related to the deduction of dues and fees. In all such cases, the Employer's reasonable attorney fees will be paid by the Union.
- 5.8 There will be no discrimination against any employee because of lawful Union membership activity or status, or non-membership activity or status.
- 5.9 The Employer agrees to deduct from the wages of any employee who is a member of the Union a Teamsters Legal Defense Fund deduction, as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the Employer's Payroll Office and the Union. Notification received by the 15th day of the month will be processed for the payday on the 25th of that month. Notification received after the 15th day of the month and by the last day of the month will be processed for the payday on the 10th of the following month. In the absence of a Business Representative, a Union Shop Steward may conduct the presentation without a loss in compensation; provided, the presentation time will not be considered as "time worked" for the purposes of overtime.

ARTICLE 6 - UNION BUSINESS/REPRESENTATIVES

- 6.1 The Employer recognizes the right of the Union to designate Business Representatives and Shop Stewards who shall be permitted to represent bargaining unit employees. The Union will inform the Office of Labor Relations of the names of Union representatives and Shop Stewards.

- 12.2 Family Medical Leave Act. The Employer agrees to comply with the provisions of the Family Medical Leave Act in accordance with University policy, and will inform the Union, at least sixty (60) days prior any changes to its policies and/or practices with respect to Family Medical Leave, in order to allow for impact bargaining to take place and be concluded prior to the implementation of such changes.

The twelve (12) week FMLA leave entitlement is available to the employee on a rolling twelve (12) month basis, provided that eligibility requirements listed in (a) are met.

- (a) Federal Family Medical Leave Act. Consistent with the federal Family Medical Leave Act of 1993, an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred and fifty (1250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) work weeks of leave per year for any combination of the following:
 - 1. Parental leave to care for a newborn or newly placed child as defined in 12.3; or
 - 2. Personal medical leave due to the employee's own serious medical condition that requires the employee's absence from work; or
 - 3. Family medical leave to care for a family member who suffers from a serious medical condition that requires on-site care or supervision by the employee.

12.3 Parental Leave.

- (1) Parental leave shall be granted to a permanent employee because of the birth of a child of the employee and in order to provide care, or because of the placement of a child with the employee for adoption or foster care.

 - b. Within ten (10) working days of the receipt of the request for leave not covered by FMLA, the institution shall provide the employee with a written response and, if the leave is denied, rationale supporting the operational necessity.
- (3) Parental leave may be a combination of vacation leave, personal holiday, compensatory time, sick leave, and leave of absence without pay. The combination and use of paid and unpaid leave during a parental leave shall be per choice of the employee.
- (4) If necessary due to continued approved parental leave, the employee shall be allowed to use eight (8) hours per month of any paid leave for up to four (4) months, including the twelve (12) workweeks provided by FMLA during a parental leave of absence without pay to provide for continuation of benefits as provided by the Public Employee Benefits Board. The Employer shall designate on which day of each month the eight (8) hours paid leave will be used.
- (5) A total of twelve (12) work weeks of appropriate paid leave or leave without pay in a twelve (12) month period for an eligible employee may be designated under the Family and Medical Leave Act (FMLA) for parental leave or a serious health condition, or a combination of both. An eligible employee for FMLA is an employee who has worked for the state for twelve (12) months for at least one thousand two hundred fifty (1,250) hours and who is the parent of a newborn, adopted, or foster child.

12.4 Bereavement Leave. Three (3) days of bereavement leave shall be granted for each death of a family member or household member (defined as persons who reside in the same home who have reciprocal duties to and do provide financial support for one another but does not include persons sharing the same general house when the living style is primarily that of a dormitory or commune).

12.5 Civil Duty Leave. Leave of absence with pay shall be granted to employees to serve on jury duty, as trial witnesses, or to exercise other subpoenaed civil duties.

12.6 Military Leave

- (2) Such leave shall be in addition to any vacation and sick leave to which an employee is entitled and shall not result in any reduction of benefits, performance ratings, privileges, or pay.
- (3) Employees required to appear during working hours for a physical examination to determine physical fitness for military service shall receive full pay for the time required to complete the examination.

12.7 Shared Leave. Employees will be eligible to participate in the Shared Leave program as contained in applicable State law and regulations.

For the purpose of this Section, advance approval or written advance notice of vacation leave, personal holiday, and/or leave of absence without pay shall not be required.

13.5 A uniform committee shall be convened with three (3) Union members and two (2)

other employees selected by the Department. The committee will make recommendations regarding uniform selection.

ARTICLE 14 - SENIORITY AND LAYOFF

- 14.1 Seniority. Seniority for purposes of layoff shall be defined as the number of calendar days an employee has been continuously employed in the classified service. Classified service of less than full time shall be considered full-time service. Authorized leave of absence without pay shall not constitute a break in service; however, the time spent on such leave shall not be included in computing seniority, except for employees in cyclic year positions. Permanent employees who are veterans or their unmarried widows/widowers shall have added to their unbroken service the veteran's active military service to a maximum of five (5) years' credit. Bargaining unit (UWPOA and Teamsters Local 117) seniority shall be used for internal department use (e.g., selection of days off, shift selection, and vacation scheduling) where applicable.
- 14.2 Seniority List. In the event of an impending layoff, the Employer will inform the Union of the least senior employees to be affected. The Employer will provide the Union a list of bargaining unit employees with their Departmental seniority.
- 14.3 Layoff. Layoff Definition: Layoff shall be defined as a reduction in the number of positions covered by this Agreement that is intended to be permanent or prolonged. Layoff will be in reverse order of seniority, i.e., last hired is first to be laid off.

In the event an employee covered by this Agreement accepts a permanent position at the UWPD that is not covered by this Agreement and subsequently returns to the bargaining unit, bargaining unit seniority shall be restored (bridged) and seniority accrual shall resume. Employees who qualify to bridge seniority may exercise their former seniority to obtain a bargaining unit position, if laid off from a current UWPD position.

Layoff Notification: The Employer will notify the employee of the position to be eliminated and the Union at least thirty (30) calendar days in advance of the date of the projected layoff. During the notice period the Employer will do the following, in order, as specified below:

1. Officers laid off will be put on the rehire list for twenty-four (24) months.
2. Officers on the rehire list will be offered re-employment, in reverse order of seniority, before outside applicants are offered the position.
3. Officers offered re-employment from the rehire list shall be given up to one (1) week to determine if he/she wants the position; and if accepted, such Officers shall be given up to one (1) additional week to report to work.

For purposes of layoff, if a current employee is called to service in the military the service will count toward seniority.

ARTICLE 15 - HOURS OF WORK AND OVERTIME

- 15.1 Standard Workday/Regular Work Schedule. The standard workday/schedule for full-time bargaining unit employees shall consist of ten (10) hours of work over four (4) consecutive days within a seven (7) day period. The only exception is that the Administrative Officer shall have a standard work schedule of eight (8) hours of work over five (5) consecutive days within a seven (7) day period. Modifications to schedules shall be negotiated between the parties.
- 15.2 Temporary deviation from the regular work schedules will be allowed in difficult scheduling situations; however, it is the intent of the Department to avoid such changes if not voluntarily requested by the employee and mutually agreed upon by the employee and supervisor. If the Department must alter a shift, the employee must be given a minimum of seventy-two (72) hours' notice of the change. All hours that deviate from the regular work schedule with less than seventy-two (72) hours' notice will be compensated at one and one-half (1.5) times the regular rate of pay unless mutually agreed upon by the employee and the supervisor.
- 15.3 Rest/Lunch Periods. Employees in the bargaining unit shall be granted a paid fifteen (15) minute rest period within each half of the workday, and a paid lunch period of thirty (30) minutes. Rest and lunch periods will be considered work time and overtime will not apply. Employees shall remain on duty, in radio contact, and within the geographical boundaries designated in the Policy and Procedures Manual.
- 15.4 Overtime. Employees qualify for overtime compensation under the following conditions:
1. Work in excess of the number of hours in the assigned work shift, or work in excess of forty (40) hours in a work week.
 2. All time that the employee is in a pay status, such as sick leave or vacation leave or compensatory time use, shall be used for purposes of calculating the workday and workweek.
 3. Overtime work must be approved in advance by the Employer and shall be paid at the rate of one and one-half (1.5) times the employee's regular rate. Overtime shall be compensated on a salary basis unless the employee requests compensatory time and the request is in compliance with Article 16.
 4. The Employer may establish FLSA Section 7(k) work periods for members of the bargaining unit. If the work period involves a schedule other than as provided in Section 15.1, mutual agreement shall be required to establish the new work period.
 5. Overtime shall be earned at a minimum of four (4) hours per assignment for planned overtime or similar "re-charge" or overtime events. Recharge events are defined as having a cost charged to any University department for services provided by the UWPD including, but not limited to, police services, security, or public safety.
 6. Employees will be compensated at straight time for overtime shifts cancelled with less than seventy-two (72) hours notice.

- 15.5 Call Back Pay. When an employee has left the University and is called to return to the work station outside of regularly scheduled hours to handle emergency situations which could not be anticipated, he/she shall receive two (2) hours of bonus "call back pay" plus time actually worked. The bonus call-back pay shall be compensated at the regular rate; while the actual time worked shall be compensated at one and one-half (1.5) times the regular rate of pay. Time worked immediately preceding the regular shift does not constitute call back, provided the time worked does not exceed two (2) hours or notice of at least eight (8) hours has been given. An employee on standby status called to return to the work station does not qualify for call back pay.
- 15.6 Standby Pay. Compensation for a scheduled or nonscheduled work period employee required to restrict off-duty activities to be available for duty will be three dollars and seventy-five cents (\$3.75) per hour.
- 15.7 Scheduled Administrative Assignments. When employees are required to be available for proceedings in a criminal court, civil court, administrative hearing, student conduct board, or Department of Licensing hearing either in person or telephonically during off duty hours as a result of their employment with the Employer, they will receive payment as follows:
- (a) For an administrative assignment that requires the officer's physical presence that is not contiguous with the officer's regularly scheduled shift, starting or ending, the officer will receive a minimum of four (4) hours pay at the applicable rate. When the assignment is contiguous with the officer's regularly scheduled shift, the officer shall receive the applicable rate for all hours of the assignment with no minimum.
 - (b) For an administrative assignment that only requires the officer to be present telephonically that is not contiguous with the officer's regularly scheduled shift, the officer will receive a minimum of two (2) hours pay at the applicable rate. When the telephonic assignment is contiguous with the officer's regularly scheduled shift, the officer will receive the applicable rate for all hours of the assignment with no minimum. Officers will be expected to be present telephonically for administrative assignments where possible.
 - (c) There is no minimum if the assignment falls during the officer's regularly scheduled shift. When the assignment falls during the officer's regularly scheduled shift, the assignment shall be considered a normal part of work.
- 15.8 Overtime Assignments. General overtime needs shall be determined and scheduled by the Employer.

The parties agree that overtime staffing and assignment issues are appropriate topics for the Joint Labor-Management meetings as described in Article 4, and that the parties will continue the discussion of overtime staffing in that setting. These meetings will include discussions of the overtime staffing model for football events and other special events. In particular, the parties will address the ability to opt-out of overtime shifts for football events and other special events, including the eligibility for opting out, the types of events to which the opt-out will apply, the procedure for approval of opting out, and the optimal method to preserve regularly

scheduled days off. Furthermore, the parties acknowledge that contracting with outside law enforcement officers is necessary in some instances and will discuss appropriate methods for determining when to contract with these officers in cases where there is an insufficient number of bargaining unit officers to cover operational needs.

Football Events. Assignments for football events shall be awarded based on seniority. If no officer desires the assignment, the overtime will be assigned on a rotating basis. All officers will routinely be assigned to work football events unless such assignment is specifically changed by the Chief or the Chief's designee. Officers who are assigned to a shift the night immediately before a football event or the night immediately after the event will not be required to work the football event.

15.9 Shift Selection. Employee assignments within the Patrol Bureau will occur on the first Monday following the end of the quarter in April and shall be awarded based upon seniority. Approximately three (3) months before then the Department will publish a call for written requests on shift assignment. Employees will make their first three (3) choices known. Employees will learn of the assignment, including days off associated with their assignment, immediately after the bidding process is completed. Assignments will take effect on the schedule nearest to July 1st.

Residence Hall assignments will be made prior to all others. Assignment of the remaining officers will begin with selection(s) for day and night shifts. The bid for assignments will continue until all positions are filled. The following general rules apply to assignments:

1. During the term of this Agreement, no employee will be reassigned to a different shift other than the shift awarded by seniority except in situations where the University cannot continue to provide police services. In the event a shift reassignment must occur, it will be offered to volunteers based on seniority. If there are no volunteers it will be assigned to the least senior officer in the department.
2. Shift selection shall be an appropriate subject for the Joint Labor/Management Committee.
3. If a shift becomes available as a result of trainees being released for duty, and if there is at least four (4) months until the next shift change, the shift will be posted and awarded by seniority. The new trainee released for duty will take the senior officers shift. If no employee desires the shift, the trainee scheduled for assignment will be assigned that shift. The parties recognize that for the betterment of the Department it may be necessary to assign a trainee to a specific shift.
4. Voluntary shift trades will be allowed as long as overtime costs are not incurred.
5. Except in a bona fide emergency, no employee shall be assigned to work more than sixteen (16) hours in a twenty-four (24) hour period, provided however employees may volunteer to work up to eighteen (18) hours in a twenty-four (24) hour period.

- 15.10 Posted “Pre-Scheduled” Mandatory Overtime Shift Assignments. The current mandatory overtime process will be maintained. Officers required to work “Pre-Scheduled” mandatory overtime will be given a minimum of seventy-two (72) hours’ notice.

ARTICLE 16 - COMPENSATORY TIME OFF

- 16.1 Accrual/Accumulation. Employees may accrue up to two hundred forty (240) hours of compensatory time. All overtime or holiday time worked which would result in a compensatory time accumulation of more than two hundred forty (240) hours, and all overtime generated as a result of football games, can be paid or taken as compensatory time.
- 16.2 Use/Cashout. Employee requests to use compensatory time off shall be made reasonably in advance and approved when the employee's absence will not unduly disrupt operations. On June 30 of each year, up to two hundred forty (240) hours of compensatory time may be carried over into the next fiscal year.

ARTICLE 17 - DISCIPLINE AND DISMISSAL

- 17.1 Discipline and dismissal shall be for just cause. The Employer shall engage in progressive discipline, although both parties recognize that some conduct is serious enough to warrant suspension or discharge for the first offense.
- 17.2 Upon request, disposition of Internal Investigation reports and supporting documents will be removed from employee's official and department personnel files after three (3) years if no similar incidents have occurred from the date of issuance.
- 17.3 Forms of discipline include written reprimand, reduction in pay, suspension, involuntary demotion, and discharge. Rejections during the probationary period are not subject to the grievance procedure.
- 17.4 The probationary period of employees shall be in accordance with RCW 41.08.100. Probationary period rejections shall be in writing. Rejections during the probationary period are not subject to the grievance procedure.

ARTICLE 18 - GRIEVANCE PROCEDURE

- 18.1 Definition. A grievance, within the meaning of this Agreement, shall be defined as any alleged misapplication or misinterpretation of the terms of this Agreement.

The content of performance evaluations, letters of counsel, and verbal reprimands shall not be subject to the grievance procedure. Employees may submit rebuttals to performance evaluations, letters of counsel, and verbal reprimands, which will be attached to the applicable document(s). Records of verbal reprimands and letters of counsel will be maintained in an employee’s supervisory file only and

purged in accordance with Section 8.2 (4) of the CBA.

It is the desire and intent of the parties, through the following grievance procedure, to provide an orderly and timely adjudication of grievances. Within this spirit, the procedure is not a substitute for or in any way to inhibit open communications between the employee and supervision. In the presentation of grievances, the employee shall be safe from restraint, interference, discrimination, or reprisal.

Grievances may be filed by individual members of the bargaining unit, groups of employees, or the Union.

- 18.2 Employee Representation. The Union, as exclusive representative of bargaining unit employees, is the responsible representative of said employees in grievance matters. Only the Union may take a matter to arbitration.
- 18.3 Time Limitations. An extension of the time limitations, as stipulated in the respective steps below, may be obtained by mutual consent of the parties. Failure of the employee to comply with the time limitations without a request for time extension shall constitute withdrawal of the grievance. Failure of the Employer to comply with the time limitations without a request for time extension shall establish the right of the employee to proceed to the next step of the grievance procedure. All references to days shall be considered calendar days and the parties shall have until 5:00pm on the first working day following a Saturday, Sunday or Holiday to meet their grievance procedure obligations should a time requirement in the grievance procedure end on a Saturday, Sunday or Holiday.
- 18.4 Meetings. Meetings and discussions on the grievance held between the parties in connection with steps one through three shall normally be held during the Employer's regular business hours, or as mutually agreeable, and no deduction in pay status shall be made for the grievant and Union representative for reasonable time spent in this regard during the employee's scheduled duty hours.
- 18.5 Steps of Grievance Procedure. All grievances shall be processed in accordance with the following procedure:
- A. Step One – Department Resolution. Within fourteen (14) calendar days of the occurrence (or knowledge of the occurrence or when the grievant reasonably should have known of the occurrence) of a situation, condition, or action which caused the grievance, the employee(s) affected, the shop steward, and/or the Union representative shall present the written grievance to the appropriate supervisor for resolution. The written grievance will include a description of the issue being grieved, including the relevant facts, the contract section(s) alleged to have been violated, and the remedy sought. The parties shall meet and attempt to resolve the grievance within fourteen (14) calendar days of the time the grievance is filed. The Department shall provide a written response within fourteen (14) calendar days of the actual meeting date, or in the event no meeting occurred, within twenty-eight (28) calendar days from when the grievance was filed. If the Department fails to provide a written response, the grievance shall be deemed automatically moved to Step 2.
 - B. Step Two – Labor Relations Resolution. If a satisfactory settlement is not

reached in Step 1, and the Union wishes to pursue the matter further, the written grievance shall be referred electronically to the University's Office of Labor Relations within fourteen (14) calendar days after the written response is received or due from Step 1. The parties shall meet and attempt to resolve the grievance within fourteen (14) calendar days following the date of the written Step 2 submittal. The University's Office of Labor Relations shall provide a written response within fourteen (14) calendar days of the actual meeting date, or in the event no meeting occurred, within twenty-eight (28) calendar days from when the grievance was referred to Step 2. If the University's Office of Labor Relations fails to provide a written response, the grievance shall be deemed automatically moved to Step 3.

- C. Step Three - Mediation. In the event the grievance is not resolved within the required time period above, the written grievance may then be submitted to the University's Office of Labor Relations for mediation within fourteen (14) calendar days after the Step 2 written response is received or due. Within fourteen (14) calendar days of the request for mediation, the Union may either submit the matter to the PERC for appointment of a mediator (copied to the Employer), or decline in writing to utilize mediation. If the University's Office of Labor Relations fails to respond to the request for mediation, the grievance shall be deemed automatically moved to Step 4.
- D. Step Four - Arbitration. If mediation fails to resolve the grievance within a reasonable time, or if the University declines mediation, the grievance may be submitted to arbitration, unless withdrawn by the Union. The Union must submit the request for arbitration to the University's Office of Labor Relations within thirty (30) calendar days from the final date of mediation, or receipt of the University's rejection of mediation. The arbitration process will be administered by the PERC using a list of nine arbitrators from either Washington or Oregon. The parties will select an arbitrator using the alternate strike method.

18.6 Decisions made by an arbitrator will be final and binding on both parties. The cost of arbitration shall be borne equally by the parties, and each party shall bear the full cost of presenting its own case, including any expert or attorney's fees and costs. The arbitrator shall have no authority to add to, subtract from, or modify any provision of this Agreement.

18.7 Grievance documents shall be maintained separately from employee personnel files. Employee personnel files will accurately reflect the final outcome of a grievance.

ARTICLE 19 - EMPLOYEE RIGHTS

19.1 The public has a right to expect efficient, fair, and impartial law enforcement. Therefore, any alleged misconduct by an employee of the UYPD must be thoroughly investigated to assure the maintenance of these qualities. Employees, too, must be protected against false allegations of misconduct and have the assurance that internal investigations will be conducted in a manner conducive to

good order and discipline.

- 19.2 Every employee who is the subject of an internal affairs investigation or who is interviewed relating to a matter that could lead to discipline (dismissal, demotion, suspension without pay, reduction in pay, written reprimand, or verbal reprimand) of him/her shall be entitled to be represented by a designated Union representative of his/her choice. The employee to be interviewed shall be afforded reasonable time prior to the interview to consult with the Union representative.
- 19.3 Every employee who becomes the subject of an internal investigation shall be advised at the time of the interview who is in charge of the investigation and who will be conducting the interview.
- 19.4 The investigator shall apprise the employee of the complaint made against him/her, and allow the employee to read the allegations contained in the complaint. A sanitized copy of the complaint may be provided to the employee and the Union, upon request.
- 19.5 The interview of any employee shall be at a reasonable hour, preferably when the employee is on duty, unless the exigency of the interview dictates otherwise. Whenever possible, interviews will be scheduled during the normal workday of the employee.
- 19.6 The employee or the Employer may request that the interview be recorded, either mechanically or by a stenographer. There can be no "off the record" questions. Upon request, the employee shall be provided an exact copy of any written statement the employee has signed, a copy of the audio recording, or a verbatim transcript of any interview. Upon written authorization from the employee, the Employer will provide to the Union a copy of any signed statement, copy of the audio recording, or verbatim transcript provided to the employee. The transcript will be provided if a transcript is made.
- 19.7 Interviewing shall be completed within a reasonable time and the employee shall be entitled to reasonable breaks for personal necessities, meals, telephone calls, consultant with the Union, and rest periods.
- 19.8 All interviews shall be limited in scope to activities, circumstances, or events which pertain to the employee's conduct or acts which may form the basis for disciplinary action.
- 19.9. The employee will not be threatened with dismissal or other disciplinary action as a guise to obtain his/her resignation, nor shall he/she be subject to abusive or threatening language or intimidating in any other manner. No promises or rewards shall be made as an inducement to answer questions.
- 19.10 No employee shall be required to unwillingly submit to a polygraph examination.
- 19.11 The Employer agrees to provide the employee with the entire contents of the employee's investigation file prior to the imposition of any personnel action which could result in discipline or dismissal. Upon written authorization from the employee, the Employer will provide the Union a copy of the investigation file.

- 19.12 Assigned storage space may be searched by the University. An employee's personal property may not be searched relative to an internal investigation without a search warrant.
- 19.13 When an employee, whether on duty or off duty, uses deadly force which results in the injury or death of a person, the employee shall not be required to make a formal written or recorded statement for forty eight (48) hours after the incident. The employee will provide any other information necessary to secure evidence, identify witnesses, or apprehend suspects. When the employee is required to make a formal written statement or recorded statement, the employee shall be afforded all protections afforded by this agreement.
- 19.14 When an employee is required to make a verbal, written, or recorded statement, the employee shall be afforded all protections afforded by this Agreement, Washington State law, and the Constitutions of both the United States and State of Washington, including but not limited to, his/her Miranda, Garrity, and Weingarten rights.
- 19.15 The procedures regarding the, "Use of Force Resulting in Serious Injury or Death," shall be in accordance with internal department policy (CALEA 1.3.8). This policy shall be subject to the grievance procedure (Article 18).

ARTICLE 20 - LONGEVITY AND PREMIUMS

- 20.1 Longevity. Effective July 1, 2015, employees will receive longevity pay in accordance with the following schedule:

3 years	One percent (1%)
5 years	Two percent (2%)
10 years	Three percent (3%)
15 years	Four percent (4%)
20 years or more	Five percent (5%)

- 20.2 FTO Assignments: Field Training Officers (FTOs) will receive a three (3) step increase for hours worked performing FTO responsibilities. When assigning FTOs, the Department will make a request for volunteers. If there are no volunteers, the Department will assign an FTO. The Department will make a good faith effort to equalize situations where employees are mandated to perform FTO responsibilities, unless the Department determines that a particular assignment will benefit the training needs of the trainee.
- 20.3 The K-9 Officer shall receive a two percent (2%) premium (the current K-9 MOU will continue through the term of this Agreement).
- 20.4 Certified instructors assigned to provide training, other than an FTO assignment, will receive a seven and a half percent (7.5%) premium for the entire day if they spend at least four (4) hours of their shift providing training.
- 20.5 The Department will provide parking for employees when they are required to work at

football games.

- 20.6 Working Out of Classification. Whenever an employee is assigned the principal duties and responsibilities of an employee in a higher classification for a single shift or greater period of time, that employee shall be paid three (3) steps above his/her present salary, or shall receive the salary at the bottom of the range for the classification in which s/he is working, whichever is greater, for all such time worked.
- 20.7 Multilingual/Sign Language/Braille Premium Pay. Whenever a classified position has a bona fide requirement for regular use of competent skills in more than one (1) language, and/or sign language (ASL), and/or Braille, as identified by the Chief, the employee shall receive premium pay of two (2) steps above the level normally assigned for that position, except for those instances where the position is allocated to a class that specifies these skills.

ARTICLE 21 - CONTRACTING OUT

- 21.1 The Employer will not contract out work which results in the layoff of bargaining unit employees who are employed prior to the time of execution or renewal of this Agreement. The Employer will provide bargaining unit members the first opportunity to volunteer for extra work opportunities prior to utilizing other police agencies to augment Departmental staff.
- 21.2 Rather than implement the competitive contracting provisions of the Personnel System Reform Act of 2002, the parties agree to engage in collaborative process and quality improvement teams. When either party identifies an issue pertaining to cost, productivity, or work quality that could lead to/or result in specific cost savings, a team will be commissioned to review the specific work involved and the cycle times, cost, and quality of the work, looking for steps that may be modified/eliminated and opportunities for increased efficiency and quality. The team will make recommendations regarding changes in systems, equipment, resources, processes, and training to enable employees to improve the work. The team may also discuss these matters with other unions when issues relating to jurisdiction or distribution of work create barriers to work improvements.
