HEALTH CARE PROVIDER COMPLETES THIS SECTION

Your patient is requesting an accommodation regarding her/his employment. The information you provide is critical to our ability to determine the appropriate services and/or accommodations, if any, for this employee. Please be thorough in your evaluation as you complete the attached sections as it will help us assist your patient. Your timely completion of this form is essential to our ability to respond to your patient's accommodation request.

Please complete Parts I, II, III and any additional sections checked below. If you fax the completed form, please send the original hard copy by mail to the address designated at the bottom of page one.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. 'Genetic information' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
